***Daniel A. Dunlap***  
Sheriff

---

## **PRESS RELEASE** **November 17, 2014**

This morning, Monday, November 14, 2014, the Lake County Sheriff's Office received a 9-1-1 call from a 13 year old student at 6:47 am. The student reported that while on his way to the bus stop he found a man lying unresponsive in his drive at 960 Madison Avenue in Painesville Township. The Sheriff's Office and rescue units responded to that location and found 60 year old Martin Bibbo in his drive. Dr. Smith, the Lake County Coroner, responded and pronounced Mr. Bibbo as deceased.

The Lake County Detective Bureau and Crime Lab have begun an investigation into Mr. Bibbo's death. At this point in time there is no indication to lead us to believe that this death was anything other than the result of an accident. However, the deceased is being sent to the Cuyahoga County Coroner's Office for an exact cause of death as part of that investigation.

The Lake County Sheriff's Office has made contact with the school to make them aware of the possibility that other students may have seen this body in the drive so that the school counselors can be made available for those students.
